

The Cae Glas Lodge

300th Meeting Celebration

1974-2017

Dear Sir & Brother,

As per your Lodge summons, for Thursday May 4th 2017. Our next regular meeting will be our 300th Meeting Anniversary, which coincidentally occurs in the very same year that the United Grand Lodge of England celebrates its Tercentenary. We therefore intend to celebrate this particular evening in style with a rather special Meeting and Festive Board. In short, the evening is to be a Third Degree ceremony with historical excerpts followed by what we consider will be an exceptional Festive Board!

So definitely not to be missed!
